[2] These examples are based on actual pet insurance claims from Nationwide members who were enrolled prior to the introduction of the new Avian & Exotic Pet plan. Their claims were reimbursed according to the plan in which each respective member was enrolled at the time. Amounts shown here reflect how reimbursement would be calculated with the Avian & Exotic pet plan with a 70% reimbursement and a \$250 annual deductible not met on prior claims. Nationwide does not determine the amount a veterinarian may charge; that amount will vary by region and veterinary practice.
