*The Fifth Annual*  
**SUMMER INSTITUTE FOR  
DEPARTMENT CHAIRS:  
VISION COLLABORATION RESULTS**  
*July 13-16, 2010*  
*Loyola's Water Tower Campus, Chicago, IL*

*"We came with a team of ten department chairs and the AP for academics. This conference changed our school."*

Assistant Principal,  
Arizona

*"I came this year with three department chairs. Next year I'm bringing four more."*

Assistant Principal,  
California

*"In addition to the great input and conversation among participants, our team used the wonderful time in Chicago to strengthen our relationships with each other. Our Chicago "bonding" will pay big dividends back home."*

Department Chair,  
Indiana

This institute aims to deepen the knowledge base and skill set needed for department chairs to function effectively as learning leaders within their schools, supporting school mission and student achievement. Sessions will bridge theory and research-based best practices, and will include samples, templates, self-assessment and planning tools; hands-on activities and collaborative problem-solving.

**Designed for:** Department chairs, division leaders, assistant principals for academics, and academic deans. *Especially beneficial for school teams of two or more people.*
