Instructional Leadership Conference*

A Great Teacher in Every Classroom, Everyday

featuring

Dr. Mike Schmoker

Dr. Schmoker, nationally recognized author and presenter, will keynote this year's conference. Dr. Schmoker has worked on school and district improvement, assessment, curriculum and staff development as a central office administrator in two school districts in Arizona, as a senior consultant at McREL (Mid-Continent Regional Educational Laboratory) in Denver, Colorado and now as an independent speaker and consultant. Dr. Schmoker **argues convincingly** that if student achievement is to improve, especially in the higher-order proficiencies, instruction will necessarily have to change and improve simultaneously. He sets out a clear but simple agenda to achieve such a transformation in American schools. Dr. Schmoker is author of several publications, including Results Now.
