**STATEMENT OF PURPOSE**

Please attach a **typed** personal statement to your application not exceeding three pages in total length. The statement of purpose should include: 1) Your teaching history. If you are currently teaching math, include length of time teaching the subject, and discuss your strengths and weaknesses as a math teacher. If you are not currently teaching math, describe what you have been teaching and why you would like to teach math. Explain how you will integrate your current teaching experience into teaching math. 2) How you will use your experience as a Boeing Math Scholar to enhance your ability to teach math.

**LETTER OF RECOMMENDATION**

A letter of recommendation must be submitted **on letterhead** from a principal familiar with your skill as a teacher. Please mail this letter to Center for Science and Math Education, Loyola University Chicago, Life Sciences Building 431, 6525 N. Sheridan Road, Chicago, IL 60626. You may also fax the letter to 773-508-3506 (ATTN: L. Jordan) or email a scanned version of the signed letter (clearly showing the school's letterhead) to lbraga@luc.edu.

**EMPLOYMENT INFORMATION**

List in reverse chronological order your professional employment history.

**CERTIFICATION & AGREEMENT**

I understand that official policies and procedures which govern enrollment at Loyola are published or referred to in the Graduate School Bulletin, the Graduate Student Handbook, the University's Schedule of Classes, and the University's Student Handbook. I understand and agree that these policies and materials, as revised from time to time, form the contract for my enrollment at Loyola University Chicago. I agree that I am responsible for obtaining and reviewing these policies and materials. I agree to be bound by them and I will pay the tuition, fees or other charges which are assessed in accordance with Loyola's published financial policies.

Please be advised that as a student-at-large you may only register for approved courses for this admission category.

I certify that I have a baccalaureate degree from a college or university that is accredited by the appropriate regional accrediting association. I further recognize that there is no guarantee that credits earned from my enrollment as a student-at-large will be applicable to a degree at Loyola University Chicago. All graduate courses taken as a student-at-large will be computed into the graduate grade point average.

**Applicant's Signature** \_\_\_\_\_ **Date** \_\_\_\_\_

**Application deadline April 15, 2007.  
Admissions will be made on a rolling basis; please apply early.  
Classes will begin on May 2, 2007**

Please send all application materials to:

Center for Science and Math Education  
Loyola University Chicago  
Life Sciences Building 431
