Each course in the professional education core has a fieldwork component.

NOTE:

1. A course grade of "C" or better is required for all education courses.
2. All persons seeking certification in Illinois must be U.S. citizens, permanent residents or must have a resident alien card (green card).
3. All persons employed by school districts in Illinois are subject to a required criminal background investigation.
4. A minimum cumulative G.P.A. of a 2.50, and a minimum education G.P.A. of a 2.80 is required for admission to the Teacher Education Program.
5. Students must be formally admitted to the School of Education Teacher Education Program before taking Education Methods Block I, II and Student Teaching. The application can be found at http://www.luc.edu/education/servicesandresources_forms.shtml
6. A course grade of "C" or lower in the professional education courses must be repeated. Students are required to obtain a minimum G.P.A. of a 2.8 in each block (Education Methods Blocks I and II) with the lowest grade possible being a "C".
7. Students are required to earn at least an overall G.P.A. of 2.5 and professional education G.P.A. of a 2.8 for graduation.

As a condition for certification in Elementary Education, the State of Illinois requires a passing grade in the Illinois Certification Testing System. It consists of four parts: 1) a basic skills test, 2) a competency test in elementary education, 3) a language proficiency test in Spanish and 4) an assessment of professional teaching. Registration materials and study guides are online at www.icts.nesinc.com. The tests are administered and scored by the state office. Passing the State Basic Skills Test is required for admission to Teacher Education Program. Passing the Elementary Content test is required for admission to student teaching.
