

## 2010 Chicago Women in the Boardroom

Women in the Boardroom, formerly known as Women on Boards, is an executive leadership event designed to assist in the preparation of board service – better qualifying you and connecting you with the right people and resources. Our panelists are executives with for-profit board experience and a desire to share their knowledge and necessary tools for serving as a director. Although the focus is for-profit boards, much of the knowledge gained can be applied to non-profit service.

Having originated in 2002 in a single city, Women in the Boardroom has now become an annual event, scheduled to be in 15 cities in 2010. All current presidents, directors and professionals in leadership roles – men and women – are encouraged to attend as an opportunity to mentor, learn from each other or find their next great executive or board member.

The event begins with a two-hour panel presentation and Q&A. Topics of discussion include:

- Role of being a director
- Differences of a non-profit, private and public board
- Board selection process
- Being an effective board member
- Positioning yourself for board service/taking the next step

Currently, women represent only 15.2% of Fortune 500 company board membership and Women in the Boardroom is out to change that!
