

Request for a Change of Degree-Seeking Status

This form is for students wishing to make a change within a program or department. If a student wishes to change to a new department or free-standing program, or to move from non-degree to degree-seeking status, the student must go through the Graduate and Professional Enrollment Management (GPEM) department using the Re-Application for Admission form found on The Graduate School website. Any additional materials required for the change of admission must be attached to this re-application form and submitted directly to GPEM.

I. STUDENT INFORMATION (COMPLETED BY THE STUDENT)
