The Advent-Christmas season is a paradox. In the midst of increased stress and busyness, it invites us to wonder and to reflect. We will accept this invitation and spend a day “treasuring the Christmas mystery in our hearts.” Using the Gospels, poems, stories, and spiritual teachings from world religions, we will explore how the light shines in the darkness, even though the darkness does not understand it and seeks to overcome it. The day will conclude with an Advent Prayer Service.
