

Re: Vedder Price Diversity Scholarship Program

Dear Friend:

The law firm of Vedder Price has been a leader in the promotion of women and minority lawyers since its founding in 1952. Today, five of the firm's practice areas are headed by women shareholders. We remain committed to the goal of increasing the number of women and minorities in the practice of law. The firm's Diversity Committee, chaired by Larry Casazza, is charged with the responsibility to ensure that we do all in our power to encourage and enhance diversity.

Vedder Price offers a special scholarship in the amount of \$5,000 designed to assist a qualified student with tuition and provide a "guaranteed" position in our highly competitive and well-regarded summer program after the first year of law school (2007 summer associates will earn approximately \$33,500). The scholarship is renewable for each year of law school, provided that the student remains in good standing. The complete details of this program are set forth in this folder and in the Careers Section of our website (www.vedderprice.com).

I hope, that should you qualify, you will complete the application found in this packet.

Thank you for your consideration and please accept my best wishes for your continued success.

Very truly yours,

Robert J. Stucker
Chairman
