

To: Students Participating in the 2009 Loyola Patent Law Interview Program

From: Loyola Patent Program Staff

Subject: New Employer Added for 2L and 3L Students

Date: April 29, 2009

Beem Patent Law Firm, a Chicago patent boutique, has been added as an employer interested in **2Ls and 3Ls**. Be sure to check out their requirements and information on the Patent Program page.

Also, please note that a **new search field** has been added under the "Additional Employer Filters" on the Employers/Bidding tab -- you can now sort by whether or not the employer seeks students who are patent bar eligible.

Remember that the bidding deadline is May 11!
