Here is another opportunity that may impact your travel plans for this year's Patent Law Interview Program:

If you're attending Loyola's Patent Law Interview Program and still need to take the Patent Bar Exam, keep in mind that PLI (Practising Law Institute) has planned a Patent Bar Review Course in Chicago just following the Interview Program. The PLI course runs August 4th through 8th in the Loop (downtown Chicago), not far from the interview hotel. PLI is working on some discount hotel options for those who want to stay through the weekend to enjoy Chicago, and take the course with PLI the week after. Go to www.patentbarreview.com or www.pli.edu or call PLI at 888-296-5973 for more info.
