

Dear Students,

We have received a number of questions about the room numbers at this year's program. **We do not yet have room numbers from the hotel. Currently, the schedules are designated either by randomly generated numbers, or by the office location or technical background for which the firm is interviewing in that interview room.** So if the room number says Houston, it does not mean that your interviews are in Houston -- **all of the interviews will take place in Chicago, at the interview hotel (the Embassy Suites Chicago Downtown/Lakefront at 511 N. Columbus).**

You do not need to concern yourself with the room numbers at this point in the process -- if you see an interview on the Scheduled Interviews tab, you are scheduled for that interview no matter what appears in the Interview Room field. We will receive room numbers from the hotel in July and will enter them on the system. However, all room numbers are subject to change until the program itself -- you will receive a hard copy of your schedule when you register on-site at the program that will list the correct room number for each of your interviews.

We hope this clears up any confusion.

Best,
The Patent Law Interview Program Staff
