SECTION VI - ON-CAMPUS INTERVIEWING

If a first year part-time division student decides to transfer to the full-time division and also would like to participate in the fall on-campus interviewing program, the division transfer must be finalized and occur before the start of the second year fall semester. Since the registrar does not convert division transfer class ranks until spring semester, such students must keep their part-time division class rank until the spring semester. Students who remain part-time for the fall of their second year are not eligible to participate in the on-campus interviewing program that fall. They may participate in OCI the following fall.
