

Loyola Gives Gift Guidelines

- New products only, please.
- Please aim to spend a minimum of \$100 per family member.
- Provide batteries when needed for a gift.
- Consider donating wrapping paper and bows even though we won't be wrapping the gifts.
- Try to provide boxes for clothes or other items that need to be boxed for wrapping.
- Extra money? How about buying a family game, movie passes or something else the family could enjoy together.
- Attach gift receipts to gifts.
- Giving a gift card? Put it in an envelope or something else that won't get lost in the shuffle.
- If sizes or gift requests don't make sense, please let us know. We'll check with Catholic Charities.
- Remember to bag items as explained at Coordinator Training. This includes:
 - placing items for one family member in a smaller plastic bag
 - tagging the bag with the label provided (first name and family code)
 - if the gift is too large to fit into a kitchen-sized trash bag, tag it with masking tape and write the family code and name on the tape
