

Loyola Gives

Help create holiday cheer for those members of our community who are less fortunate by getting involved with Loyola Gives 2008. Loyola Gives is an opportunity for our Loyola University Chicago community to sponsor individual families through the Catholic Charities' Celebration of Giving sponsor-a-family program.

Get involved!

We need volunteers to:

- Raise funds
- Shop for gifts
- Organize your department to sponsor a family
- Collect and organize items at drop-off locations on collection days

Sponsored by the Office of the Vice President—Mission and Ministry.
