Introduction to Sport Clubs

The Loyola University Chicago Sports Club program is comprised of a group of registered sponsored student organizations that provide recreation or competition in specific sport or activities. The Sports Club program is designed to assist and develop the interests and skills of its members. The Sports Club program offers a unique blend of teams and individual sports. Our Sports Club teams compete on behalf of Loyola University Chicago and the Department of Campus Recreation. Our clubs participate in events, locally, regionally and nationally, displaying the best of Loyola University Chicago’s sportsmanship and leadership. Each Sport Club will determine its own membership guidelines, but such guidelines must be free of any restrictions or discrimination based on race, color, national or ethnic origin, religion, disability, age or sexual orientation.

While the Sports Club staff and the Campus Recreation staff assist the clubs in their operations, the emphasis is on student leadership and development. Students are directly and ultimately responsible for all aspects of operating and managing a successful organization. As a result, Sport Clubs present the unique opportunity for students to develop both performance and leadership skills, which will assist participants well beyond their years spent at Loyola University Chicago.

This handbook outlines the policies and procedures of Loyola University Chicago and the Department of Campus Recreation that directly affect the safety of the Sports Club participants and the operation of each club. All individuals who choose to participate in a Sports Club are required to become familiar with and agree to abide by the guidelines, rules and requirements for the Sports Club instituted by LUC and the Department of Campus Recreation, many of which are detailed in this Handbook. As such, all Sports Club participants are required to become familiar with the material presented in this handbook, as well as any additional guidelines established by LUC, Campus Recreation or Student Activities and Greek Affairs (SAGA). The policies and procedures outlined in this handbook are subject to change at any time, provided such changes are promptly and adequately distributed.

Mission Statement

The mission of the Sport Club program is to provide competitive, recreational and instructional opportunities for the Loyola University Chicago community. We are committed to the development of successful and quality teams with a focus on enhancing the collegiate experience through leadership development, teamwork, sportsmanship, diversity, responsible and ethical conduct, healthy active lifestyles and fun.

Sport Club Staff

The Sports Club staff serves as the official representative of the Department of Campus Recreation in the supervision of the Sports Club program. In this role, the staff will:
- Communicate regularly with the club representatives and advise on matters of: scheduling, participant eligibility, coaching, finance, equipment purchases, travel and safety and risk management.
- Assist with development of policies and procedures of the individual clubs
- Assist with the allocation of facilities and funds
- Sanction clubs and/or individuals when warranted
- Enforce all policies and procedures set by the University and/or Department of Campus Recreation

LUC Services Available to Clubs

Facilities and Playing Field Use
One of the benefits Sport Club teams enjoy is the use of facilities (Halas) and playing fields on campus (Sean Earl Field, Halas Field and Hoyne Field). Clubs that use on campus facilities may be required to pay a nominal fee to help cover the expense of support staff that is required during practices or games.

Some things to remember regarding the use of LUC facilities:
1. Submit facility requests by designated dates (space is assigned each semester) through org sync
2. Space requests for single events, should be made as far in advance as possible. Tournaments or practices with other institutions will be approved on a case by case basis.
3. Each club is responsible for any damage incurred while using the facility or field. In addition, the club is responsible for the conduct of its members and spectators.
4. Proper identification will be necessary to gain access into the Halas Sports Center and other facilities.
5. If an instructor, coach or advisor requires access to the Halas Sports Center, arrangements need to be made at least 3 business days in advance.
6. University facilities may not be used for commercial purposes or for personal gain.
7. Club teams must adhere to scheduled times. If a practice is from 5-7pm, the practice (including set up) must start at 5pm and the end (including tear-down) at 7pm. Abuse of the time allotted may result in forfeiture of facility space.
8. Clubs must cancel practices on LUC property 24 hours in advance
Telephone, Fax and Copies
Telephones are available to clubs in the Halas Sports Center main office providing the club has made prior arrangements with the Sport Club Administrator. Limits may be placed on long distance calls. Clubs may also have access to the fax and copier for club purposes. Limits will be placed on the number of copies made. Clubs must make prior arrangements with the Assistant Director to ensure the availability and accessibility of the telephones, fax and copier.

Equipment and Equipment Storage
1. Equipment purchased with LUC funds becomes the property of LUC and must be inventoried annually.
2. Sport Club equipment may be used only during the club’s activity season. During the remainder of the year, it must be securely stored. Storage arrangements must be made with the Sport Club Administrator.
3. All equipment and supplies must be issued under the direction of the Sport Club staff and with the assistance of the club executive board.
4. Any equipment not turned in will be charged against the club and/or its members.

Marketing
Marketing is crucial for all Sport Clubs to attract new members and inform others of club activities. Sport Clubs are encouraged to use a variety of methods for exposure such as:
1. Appoint a Marketing Chairperson for the club.
2. Promote the club during the Student Organization Fairs
3. Publicize regular meetings, games and special events through:
   a. Club flyers, posters and/or banners
   b. Sport Club bulletin boards
   c. Res Life and other campus bulletin boards
   d. Campus Recreation website
   e. Org Sync
   f. Phoenix (may have to pay advertisement rates)

*The use of flyers and posters must be in compliance with all relevant university standards and must be approved by the Assistant Director. University posting policies need to be followed when posting materials around campus. Posting policies can be found at: www.luc.edu/saga/pdfs/University_Posting_Policy.pdf

Org Sync
All clubs are required to actively use and maintain Org Sync. Org Sync is an online site that will handle all club sports forms, budget, contact lists, messages and more. All clubs must be registered by July 31 on Org Sync. Training will take place at monthly meetings. All forms and communications will take place through Org Sync.

Point System
Club Sport Point Tracking System

The club sports point tracking system is designed for clubs to have a clear understanding of expectations and the importance of completing necessary tasks on time and correctly following club/university policy. It is also designed to show clubs the consequences of failing to follow policy and procedure. This system will be used to help determine budget allotment, sanctions for clubs and as criteria for club of the year. This system is subject to change at the discretion of the club sport and campus rec staff. All club officers are required to sign off that they know and understand the Club Sport Manual, the SAGA manual, the University Student Code of Conduct and this point system (which is also included in the Club Sport manual).

All clubs start with 100 points

- 100-80 – Club is in good standing
- 79-50 Club will receive a warning and must complete “Plan of action” immediately
- 49-30 Club is on probation (could include travel, funds, practice space restrictions)
- 29-0 is suspension of club (club is prohibited from all activities)

After a club is out of good standing, they will be required to submit a “plan of action” with the Coordinator to ensure they remain in good standing. Clubs who fall into probation or suspension will be required to meet with the Club Sport Coordinator and advisory board.

*Major violations- Campus Rec will deal with each instance on a case by case basis. Starting and Maintaining a Sport Club

Starting a Sport Club

Starting a student organization can be a rewarding experience. By registering your student organization with Campus Recreation (Sport Clubs) and Student Activities and Greek Affairs, your organization may take advantage of campus resources to promote your organization, recruit members, hold meetings and support other activities.

A group of 5 or more Loyola University Chicago students may apply for organization registration through Campus Recreation (Sport Clubs) and Student Activities and Greek Affairs. Depending on the sport, you may be required to have more members in order to participate in activities. The university reserves the right to limit the number of organizations with duplicate purposes. Here is a guide to creating and registering your organization.

All clubs must be competitive clubs, competing in a minimum of 4 competitions a year.

Step 1.

Search our list of sport clubs (http://www.luc.edu/campusrec) to determine if a similar organization exists.

Step 2.

Request to register your organization with the Coordinator of Sport Clubs. Potential organizations will be required to obtain appropriate number of members. Must develop a Club Constitution (sample will be provided). Potential clubs must meet certain criteria to be considered for the Sport Club program. The following list is an example of criteria that must be met, but is not limited to this list.

1. Have enough student members
2. Develop a Constitution
3. Club is competitive in nature, i.e., will compete against other universities or club teams (minimum of 4 a school year)
4. Develop an annual operating budget

Step 3.

New student organization requests will be reviewed by the Sport Club Executive Board. The review panel will consist of the Sport Club Executive Council. Prospective student organization members will meet with the Council to petition for inclusion into the Sport Club program. The Coordinator of Campus Recreation reserves the right to final approval of all Sport Club teams.

Types of questions the panel will be asking include:
• What events or tabling will be done to promote your organization?
• What is your organization offering the community that is unique?
• How will your organization sustain membership?
• How many years has your organization’s leadership been at Loyola and how does your organization plan on transitioning new leadership?
• How does your organization relate to the mission of the Sport Club program and the University?
• How does your organization’s mission relate/uphold to the values of the Student Promise?

Step 4.

After meeting with the review panel, a recommendation will be made to the Director of Campus Recreation regarding the status of your organization.

If approved, your organization will be required to attend a mandatory New Student Organization Orientation.

Maintaining a Sport Club

To maintain status as an active SSO/Sport Club, each club must:

1. Keep on file in the Sport Club office/Department of Campus Recreation and via OrgSync and updated:
   a. Constitution (reviewed and updated yearly)
   b. Roster (updated as new members are added)
   c. Player agreement, Hospitalization and Waiver, needed for each member on the roster
   d. Practice/Game Schedules
   e. Officer’s List
   f. Semester and Annual Reports
   g. Inventory Sheet of all University purchased items
2. Have 2 sports officer present at all Sport Club meetings
3. Attend bi weekly club sport meetings with the Sport Club coordinator
4. Submit all necessary forms by the designated date/time
5. Must compete in at least 4 competitions per academic year

Sport Club Membership

All members must be currently enrolled students at Loyola University Chicago. All students are welcome to participate based of their own self-identity for gender based sports. The officers of all student organizations must be in good standing (not on academic or disciplinary probation) at the time of their election or appointment and throughout their terms of office. Officers are required to be enrolled for at least six credit hours each semester during their terms of office. A student is considered to be in good academic standing as defined by the policy of their school or college. Students who are not in good
standing may be removed from offices or membership. The university does not recognize the right of any organization external to the university to decide questions of membership. However, the university recognizes some organizations may have additional policy rules that clubs are expected to follow.

*Only those members listed on the official Club Roster may perform, practice and/or compete with the club. Club members must have the Hospitalization/Waiver forms on file before they can compete or practice with the club.

Responsibilities of Registered Sponsored Student Organizations

- Student organizations are expected to adhere to all applicable institutional regulations. The university reserves the right to determine the appropriate time, place, content, and manner for conducting activities, and posting and distribution of materials on any of its campuses.
- Student organizations may not host special events or programs during breaks, holidays, or finals, unless approved by the Coordinator.
- Student organizations are expected to exercise good judgment in planning and promoting their activities. The university may deny or restrict the activities of student organizations. Officers of student organizations are responsible for assuring compliance with procedures and policies as outlined in the Campus Recreation website and the Student Handbook. The university prohibits the following types of activities: Eating contests, raffles, date auctions, fundraising events at a bar or tavern (tavern defined as any establishment generating more than half of annual gross sales from alcohol) and other events at the discretion of the Student Activities & Greek Affairs staff.
- A student organization accepts responsibility for a member’s or group’s behavior when a) he/she is acting as a member of the organization, with or without official sanction, rather than as an individual student; b) an event is held, officially or unofficially, in the name of the organization; or c) the association between, or the action of the individual(s) is under circumstances which draw attention to the organization rather than to themselves as individuals.
- Groups or organizations that allow their registration to lapse are denied all rights and privileges accorded student organizations and should not operate on the university campuses. Repeated attempts to operate without university registration could result in disciplinary action against the individual students involved.
- Organizations that have been suspended must adhere to the stated conditions of the suspension or face additional delay of reinstatement or possible permanent loss of registration. Loss of registration is an action by the university indicating a total and permanent separation of the group from the university. This includes total prohibition for the organization and its members or supporters to conduct any activity on the campuses of the university or at off-campus university associated events that in any way promote the goals, purposes, identity, programs, or activities of the organization.
- Any organization that financially obligates itself, whether through a member or officer for services, merchandise or facilities does so in the name of the organization and its members. The university is not responsible in any way for debts incurred by an organization.
Responsibilities of Recognized Sport Clubs

As a University Sport Club, each club must:

- Adhere to all policies and procedures that are required to maintain club status.
- Provide a plan for injuries and insurance:
  - It is highly recommended that all participants receive a physical examination prior to participation
  - Each participant shares in the responsibility of safety and agrees to follow safe procedures and to avoid any unnecessary, hazardous situations
- Participants are obligated to wear proper attire for their respective activity and appropriate protective equipment. If the participant chooses not to use such equipment, the participant must realize that he/she is doing so at his/her own risk.
- Should an injury occur, an Injury Report form must be completed and filed (within 48 hours) with Campus Recreation.
- An injured participant is responsible for all financial obligations incurred in any treatment necessitated by an injury.
- First Aid Kits are available for each club during their seasons.
- CPR/AED classes will be offered by Campus Recreation at various times throughout the year. It is required that the risk management officer and at least 2 other club members also be certified to assist if an injury occurs during club related activities or travel.
- There must be at least 1 CPR/First Aid certified member at each practice or competition
- Avoid sponsoring or hosting any activities that could tarnish the reputation of LUC or cause damage or injury to the University, department, program or individuals.
- Prohibit the use of alcohol and the unlawful manufacturing, distribution, dispensation, possession or use of illegal drugs or controlled substances during Sport Club functions.
- Prohibit the sexual or anti-discriminatory harassment of all club members in accordance with University policy.
- Prohibit “hazing” of club members.
- Remain in good standing with local, regional and national affiliations as appropriate.

Standards of Conduct

General Standards of Conduct

As students of Loyola University Chicago, Sport Club members have an obligation to conduct themselves and their organization in a manner compatible with the University’s philosophy and function as an educational institution. Members of Sport Clubs are expected to act in a mature and responsible manner both on and off campus and especially while participating in club activities. It is the responsibility of all club members to not engage in any actions that could result in harm to Loyola University Chicago’s reputation. Furthermore, Club Sport members are expected to act in accordance with all policies set forth by the following institutional documents:

- The bylaws of their club’s constitution
- The Student Promise (see below)
Inappropriate conduct or actions while participating in any Sport Club related activity could jeopardize the club’s continued status as a recognized Sport Club. Furthermore, club members who participate in any activity which violates University policies, the guidelines of any appropriate governing body, or federal, state or local law will be subject to disciplinary action by the Campus Recreation Department, Loyola University Chicago and/or appropriate legal authorities.

The Student Promise

As a Loyola student being educated in the Jesuit Catholic tradition, I promise to...

Care for Myself
I promise to strive for excellence in all that I do. I will embrace opportunities for leadership, challenge myself academically, and seek experiences that will positively influence my personal development. I will honor the good in myself by being honest, compassionate, and respectful.

Care for Others
I promise to recognize that each individual person is valuable and has a unique perspective that contributes to the growth and development of all. I will respect the individuality of others regardless of appearance, ethnicity, faith, gender, ability, sexual orientation, or social standing.

Care for Community
I promise to acknowledge and celebrate diversity. I will contribute my talents, gifts, and ideas to strengthen the community. I aspire to be a person for others committed to working toward a more just world.

Alcohol
Students and guests are subject to City of Chicago ordinances and Illinois state law, which prohibits the sale, possession, consumption or provision of alcoholic beverages to or by any person under the age of 21. Possession and consumption of alcoholic beverages is not permitted at any sport club function(s) or event(s) (including traveling to and from venues).

- Club Sport Organizations may not sponsor events where alcohol is present. This includes hosting parties at local bars.

Noncompliance with this policy may result in individual disciplinary action by the Campus Recreation Department and may be sent to the Office of Student Conduct and Conflict Resolution (OSCCR).

Hazing

Hazing is any intentional or reckless action or situation created to produce emotional or physical discomfort, harassment, humiliation or ridicule. For the purposes of this policy, “associate” refers to any potential new member, neophyte, or pledge. Actions and activities that are explicitly prohibited include, but are not limited to, the following:

- All forms of strenuous physical activity not part of an organized voluntary athletic contest or specifically directed toward constructive work that might reasonably be expected to bring physical harm to the individual.
• Paddling, beating, pushing or otherwise permitting anyone to strike an individual.
• Activities that interfere with an individual’s academic effort by causing an unreasonable loss of sleep or study time.
• Forcing or coercing an individual to eat or drink any substance.
• Abductions, road trips, etc., that are conducted in a manner which endangers the health or safety of an individual.
• Subjecting an individual to cruel psychological conditions.
• Behavior that disrupts the normal functioning of the university or is disruptive to the normal living environment.
• Servitude of any kind
• Any requirement which forces an individual to participate in any activity which is illegal, publicly indecent, morally degrading or contrary to the rules, policies and regulations of Loyola University Chicago.

All complaints are taken seriously and no one reporting hazing, including third parties, will suffer retaliation or reprisal from the university. Complaints of hazing will be treated in confidence to the extent feasible, given the need to conduct a thorough investigation and to take corrective action. If it is determined through an appropriate and prompt investigation that hazing has occurred, effective corrective action will be taken to eliminate the hazing and to attempt to ensure that it does not recur. Organizations should understand that not only is the organization responsible for preventing hazing in any form, but any and all members involved in any hazing violation will be personally accountable for their actions and may be subject to individual disciplinary action.

An infraction of this policy is a Category B violation. Sanctions will depend on the context and severity of the conduct, and may range from an oral/written warning to suspension or expulsion from the university.

Social Media - Facebook/Twitter

As with any new technology, Facebook, Twitter and other social networking sites have both positive and negative aspects. It is important that club officers and members understand how these social media sites can have possible ramifications that can impact a club and/or LUC. Any club that has a “club page” or Sport Club members that associate themselves on their personal pages with a particular club must do so in accordance with the Code of Conduct of Loyola University Chicago. Additionally, club members should take care not to put anything on these pages that will negatively impact the image of the club or the University as a whole.

Conduct Violations

Any Sport Club participant/organization may face disciplinary action for inappropriate behavior while participating in any club related activity. Disciplinary action may result in loss of recognition as a Sport Club, as well as further disciplinary action if deemed necessary, including referral to OSCCR and/or prosecution. Additionally, clubs will be sanctioned via the sport club point system (see section)

Acts that may cause a club or participant to be sanctioned include, but not limited to, the following:
• Violation of any local, state or federal law, violation of the Student Promise and/or other policies set forth by Campus Recreation and the university.
• Consumption of alcohol by any coach, participant, officer or affiliate of the club at any club event, competition, trip or function.
• Harassment or sexual harassment
• Striking, attempting to strike or otherwise physically abusing an official, opposing coach, spectator or athlete
• Delinquency when turning in forms, requests, reports, equipment, etc.
• Delinquency in attending practices/events that are supervised by Campus Recreation staff
• Operating without the permission or approval of the Campus Recreation

Coaches/Instructors

A club is first and foremost a student organization. A coach should restrict his/her contributions to the coaching and should minimize active involvement in the club. The philosophy and key to the success of the Sport Club program has been the continued emphasis placed on student leadership and participation. Clubs are designed to allow students to handle the leadership roles including, but not limited to administering a budget, securing facilities, scheduling contests, and arranging for travel, etc. Being a coach is a position of service and should be spent serving the club and its members. How much time is spent though, is up the coach and the team. Coaches are not to run the club for officers or to
perform duties unless they are a student. They should let the club succeed or fail, acting as a mentor and supporting good decision-making.

Campus Recreation reserves the right to final approval of all coaches/instructors. All coaches/instructors must meet with Campus Recreation staff. Coaches/Instructors may be students, faculty, staff or outside community members. Coaches who are community members may be allowed access to the Halas Sports Center during scheduled club activities. All coaches are required to go through a criminal background check yearly. This form is found on Org Sync and must be completed before teams can practice or compete.

The following are recommended duties of a Sport Club coach/instructor:

1. Develop and improve skills of club members
2. Assist club officers in scheduling practices and games
3. Develop and employ safety practices for all participants to include the inspection of sport gear and the report of any hazardous facility condition
4. Attend games and practices
5. Promote good sportsmanship on and off the field
6. Help advice students on equipment purchases that may be necessary for practices and games.

Coaches/instructors should restrict his/her involvement with the club to teaching and coaching in practice and competition and must not participate in other areas of club management. STUDENTS, NOT COACHES/INSTRUCTORS, SHOULD REMAIN PRIMARILY IN CHARGE OF CLUB BUSINESS, AND IN COMMUNICATION WITH THE SPORT CLUB OFFICE/STAFF AT ALL TIMES. The Department of Campus Recreation has an obligation to protect the student members of the Sport Club program. If, in the sole discretion of the Department of Campus Recreation, a coach is not fulfilling his/her duties, is not adhering to the stated or written policies and procedures, is potentially threatening the health, safety or well-being of any club member, or is not otherwise working in the best interest of the club, he/she will no longer be welcome to serve as a coach/instructor.

Coaches/Instructors are typically a volunteer position and cannot be paid through University funding. If a club team wants to compensate a coach/instructor, they need to discuss with the Sport Club administrator and fund the compensation through dues money. All coaches are required to complete a criminal background check prior to coaching or volunteering.

Faculty/Staff Advisors

Student organization advisors are to serve as role models and as resources to their registered student organization. The club should always try to reserve an On-Campus facility (Halas Sports Center or Hoyne Field) first. If the space is not available, then the club must make arrangements off campus. Clubs must follow all guidelines set by the reserving parties, i.e. obtain proper field permits, supply proof of insurance (can be obtained through the Sport Club office), etc. Clubs should make venue arrangements as far in advance as possible.

Travel Confirmation Letters
Occasionally, club members will need to be absent from classes in order to attend scheduled sport club competitions. At such times, club members can prevent misunderstandings and academic difficulties by obtaining a letter from the Sport Club Office verifying the club’s plans to travel and compete. Sport Club travel is not a university excused absence. Therefore, trip confirmation letters do not mandate that professors excuse the absence. To avoid a negative situation, club members are highly encouraged to discuss class absences as a result of sport club participation with their professors in advance. Club members are responsible for all work missed during their absence and are required to comply with their instructor’s demands for rescheduled or make-up exams and assignments.    b. Annual Budget Request Forms are due every spring semester.
   c. Club teams must attend a budget workshop.
   d. Since funds are limited, club teams are only allowed to request funding that is vital to the club’s survival. Please see the list of acceptable budget items:

Depositing Funds
Each Sport Club team has a designated On-campus budget account. Clubs wishing to deposit their club dues, fundraising or donated money may use these accounts. Each club must work with the Sport Club Office to make the necessary deposits. Any money that is deposited into these personal club accounts can be used to help cover costs associated with the club. The club team will work with the Sport Club Office to gain access to these accounts. Money deposited into these accounts has to be handled just like other reimbursements. Reimbursements will take 3-4 weeks for payments to go through. This account does allow for a roll over a funds from year to year.

Outside Bank Accounts:
The University has not ruled out Sport Club teams opening up outside bank accounts. If a club feels this route is a better way of depositing and managing their funds, they may open or continue to use an existing outside bank account. The positive side of this type of account is flexibility in accessing club money. Money can be withdrawn or payments made very quickly. The negative side of an outside account is the club will not have advantage of being tax exempt. Clubs that open an account outside the University must open the account without the support of the University. Clubs will be required to submit Monthly Reconciliation Reports on their outside bank accounts. These reports will be viewed by the Sport Club Administrator to ensure each club is following the rules and not spending money on “inappropriate items”.
Clubs must keep track of their outside account on Org Sync’s Treasurer section

Reimbursement Request:

A reimbursement is when an organization pays for an event’s cost out-of-pocket and then is repaid by for the purchase. Reimbursements will only be made for pre-approved costs. The following documentation is needed:

1. A completed Reimbursement Form. Completed form will have name, address and amount of reimbursement. This form is available on Org Sync
2. Receipt or invoice showing total paid, date and for what purpose.
3. If receipt is not given at time of payment, deposited checks from bank will be acceptable or a bank/credit card summary will also be acceptable.

Average processing time for reimbursement is between 3-4 weeks from the date a completed reimbursement is received.

Requesting Payments:

Clubs may request to have payments made for entry fees, league dues and other items approved in their annual budgets. The following documentation is needed:

1. A completed Purchase Request Form. Completed forms will have name, address, amount of payment and payment due date. Form is found on org sync.
2. Documentation supporting payment. Could be an invoice or flyer that describes the event, date of event, who to make check to and address.

Average processing time for payment requests is usually 3-4 weeks. So it is imperative that clubs submit forms will ample lead time.

Purchasing Equipment/Uniforms:

Club Officers and coaches are responsible for prioritizing what equipment a club requires and arranging the purchase with the Sport Club administrator. Only club officers can request purchases of equipment. Equipment that is being purchased must be in the club’s approved budget. To request an equipment purchase:

1. Complete and submit a Purchase Request Form. Completed form will have name and contact information of the requestor, vendor name and contact information, website of vendor, description/item number of equipment, number of pieces and total cost.
