Chemistry Subject Guide
Useful Chemistry Resources

- Structure Drawing
- Physical Property Data
- Literature Searching
- Citation management
Structure Drawing

- **ChemDraw**
  - Loyola has a site license
  - Register with your Loyola email
  - Renew serial number every year

- **ChemSketch**
  - Free download
Physical Property Data

• Merck Index
• Kirk-Othmer Encyclopedia of Chemical Technology
• Genium SDS Database
• Reaxys
• SciFinder Scholar
Literature Searching

• Web of Science
• SciFinder Scholar
• Reaxys
Citation Management

- RefWorks
- EndNote
- Zotero
