This walking and cycling map will help you get around the neighborhoods surrounding Loyola’s campuses: Our Lake Shore Campus is bordered by Edgewater and Rogers Park, and our Water Tower campus is located in the Gold Coast.

Restaurant options on this map range from places to pick up your morning coffee to establishments that offer cuisines from around the world.

**TRANSPORTATION**

Visit the Chicago Transit Authority's Trip Planner to get you around the city: transitchicago.com

**The Red Line**

Part of Chicago's network of trains, this line travels between both campuses and beyond and is free with your U-Pass. LSC is accessible via the Loyola stop, and the WTC stop is Chicago Avenue. This train runs 24/7.

**CTA Bus 147**

Runs between campuses with fewer stops in between than other buses. Check the CTA's website for times.

**Loyola Shuttle**

Pick up our biodiesel-powered shuttle at Lake Shore Campus's main driveway, across from the main parking structure. The shuttle stops next to the Corby Law Center at the Water Tower Campus. It runs roughly every 15 minutes on school days during the semester.

Underpass to Lakefront Trail

This map also offers assistance for cyclists:

- Use it to reach the Lakefront Trail from each campus.
- Follow the highlighted streets as recommended bike routes. Arrows indicate the direction of travel on one-way streets. Avoid busy streets like Sheridan/Broadway and Michigan Avenue while riding.
- Stop by ChainLinks for repairs, rentals, and any other cycling needs. Always wear your helmet!
