KRCC can help you!

Are you a DACA-mented?
You should submit your renewal request about 120 days (4 months) before your current period of deferred action will expire.

What Is DACA?
On June 15, 2012, the Secretary of Homeland Security announced that certain people who came to the United States as children and meet several guidelines may request consideration of deferred action for a period of two years, subject to renewal. They are also eligible for work authorization. Deferred action is a use of prosecutorial discretion to defer removal action against an individual for a certain period of time.
