Guests and Visitors
A network for guests and visitors to access the internet is provided on all campuses of Loyola University Chicago.

Guest Access Instructions:
“Self-Service 8 hour access”

Visitors and Guests must use the 'LUC-Guest' wireless network

Select “I NEED A GUEST ACCOUNT”

Enter the information into the spaces provided:
- Full Name (required field)
- Email (required field)
- Mobile Number (not required – but easy to use!)

If you have any questions, please contact the IT HelpDesk at 773-503-4400.
If entering a mobile number, select your carrier from the drop-down list.

Select “Request Guest Access”

After clicking the "Request Guest Access" icon, you should receive an email with your guest credentials sent to the email you provided above. The format of this email will look as it does below. Alternatively, you may receive the following text message if you provided a mobile number.

Note: The Loyola University Chicago guest wireless network is provided as a convenience for University visitors and guests, and its use is not warranted in any way, express or implied, by Loyola University Chicago. Your use of the network is solely at your own risk and is subject to all applicable University policies. There is no guarantee of network performance. Individual access to the network, or the entire network’s availability, may be suspended or terminated at any time at the University's sole discretion.
