

PHYSICS COLLOQUIUM

When:

Thursday

March 14

2:30 – 3:30 pm

Getting to Know Career Services

Anna Goldberg

Career Advisor- Loyola University Chicago

Room:

Cudahy 200

This workshop will provide information about Career Services and how Career Advisors support students. The focus is on career exploration, the internship/job search, and Handshake. There will be an emphasis on finding opportunities as a Physics student. During this workshop, students will participate in a discussion and activity based around experiential learning.
