Santiago, Chile  Summer Global Faculty-Led Program

May 14th - May 29th, 2017

PROGRAM DESCRIPTION:
This program immerses students in South America’s 6th largest city, Santiago, with a population of nearly 6-million. This Spanish-speaking country located on the west coast of South America is a modern and friendly city that has much to offer. Throughout this trip, students will study the culture of Chile and be required to produce an audio, video, photographic, or web project telling a story about Chile and its people. The final body of work will be completed and presented upon return to Chicago. The students’ field work and project development will be supplemented by lectures from local experts into Santiago’s rich and colorful history, discussions, museum visits, and collaboration with local communication students. The course focuses on learning through real world experiences.
