When to Study Abroad
Theater majors have flexibility with when they can study abroad, although for to study abroad with the most ease, it is recommended theater students study abroad during their sophomore or junior years. Theater majors can choose to fulfill their core and electives courses abroad. However, there are a number of programs that offer varying types of theater course options that could fulfill theater major requirements. Some of these programs are listed below. It is, also, recommended that students peruse the pre-approved course database, which contains study abroad courses deemed correspondent to core, elective, and major requirements.
