School of Nursing Health Requirements- Undergraduate Students

The following are mandatory requirements for all students participating in a clinical setting. This checklist will assist you in tracking the necessary documentation. These must be completed by August 1, 2006 and be good through July 1, 2007. After your initial submission during your Sophomore year, you need to submit an annual TB test and proof of CPR certification that will be good through July 1, 2007.

Immunizations- Submit to the Wellness Center. Campion Hall, Lower Level, LSC. Fax (773)508-2530

- MMR Immunizations (Measles, Mumps, Rubella)
- Titers with lab reports for Varicella
- Titers with lab reports for Rubella
- Diphtheria/Tetanus
- Hepatitis B- 3 shot series. If you have not started this series, you can begin the series and still be in compliance. You must continue to submit updated information as additional shots are completed.
- TB test- must be two steps- two separate TB tests are necessary. The 2nd TB-test needs to be completed within one week of the initial TB test. *If the TB test is positive, then a Chest X-ray must be submitted in addition.*
- Polio- either history of disease or immunization.
- Submit this completed check-list and documentation to the Wellness Center.

Additional Requirements- Submit to the School of Nursing. Damen Hall room 500, LSC. Fax (773)508-3241

- Xeroxed Copy of Health Insurance card
- Xeroxed Copy of CPR card- must be CPR certified for Health Care Providers
- Signed letters (Patient Confidentiality, Letter of Risk, Academic Integrity).
- Prior to submission, make and keep copies of ALL of the above documentation for your personal records.**
