A Lifetime of Integrity

Designed to provide a foundation to meet the demands of today’s world, Loyola’s Quinlan School of Business will prepare you for the modern business environment. In addition to 11 majors, the school also offers several five-year degree options that will allow you to earn your bachelor’s and master’s degrees in about five years.

Values are an integral part of the Loyola Experience, which is inspired by the Jesuit tradition of educating the whole person. As a part of that tradition, courses emphasize responsible leadership, diverse perspectives, and experiential learning. Our new U.S./Europe Double Degree allows you to earn a Loyola bachelor’s degree and an official European degree from Universidad Loyola Andalucia.
