Scope and Content

The Mundelein College Oral Histories Records includes thirty-nine oral histories of former Mundelein College administrators, faculty, staff, and students. In most cases, the interviews have been transcribed and there are signed donor's agreement's for the histories themselves. However, this is not true for all of them. The records also include a cassette or minicassette of the interview and, sometimes, duplicates of both transcripts and the tapes. The interviews are separated into two series and are arranged alphabetically.

Series 1: Transcripts, 1993-2003, Boxes 1-2

Includes the typed transcript of the interview, sometimes with notes and other correspondence related to the interview and/or transcript.

Series 2: Audio Cassettes, 1993-2003, n.d., Boxes 3-4

Includes cassette or microcassette tapes of the interviews; there are duplicates.
