IPS 635 and IPS 620 are also cross-listed with Social Work courses (SOWK 502 and 504). Please check LOCUS for course availability each semester.

Online synchronous sessions are not required by IPS, though IPS professors are free to require them in their courses. If a professor does require synchronous sessions, it is recommended that they capture the content for any students who are not able to engage in the live session. It is also recommended that an instructor state clearly in the syllabus whether synchronous sessions are required or optional, and when they would be offered, if at all.
