May 2, 2020

Dear Loyola Parents,

As this unprecedented spring term of 2020 ends, we offer to you our deepest thanks. The world experienced rapid change, and through your continued support, students rose with remarkable resolve to continue their journey toward a Loyola University Chicago degree. Now, more than ever, the world needs talented, compassionate, and purpose-driven leaders who will rise to meet the challenges of the future.

We wish for you and your families a healthy, safe, and productive summer. Please keep the Loyola fire burning bright. And remember always, Go Ramblers!
