## COVID Testing Resources

Students with active symptoms of COVID-19 may schedule testing at the [Wellness Center](#). Faculty and staff with active symptoms of COVID-19 should contact their healthcare provider or preferred testing location.

Students at the Health Sciences Campus can contact [Loyola Employee and Student Health Services](#) COVID-19 health line at 708-2166-1170. Testing is available for students with symptoms or a high-risk exposure.

Local COVID testing resources are regularly updated on the [Chicago Department of Public Health](#) website.

### Test at home:

- Most insurance plans cover a monthly allotment of home COVID tests. Learn more about how to get your at home COVID-19 test: <https://www.cms.gov/how-to-get-your-at-home-OTC-COVID-19-test-for-free> or reach out to your insurance provider or local pharmacy for additional information.

### Pharmacies:

Visit these pharmacies' websites or call and ask about low or no-cost testing:

- [CVS Health](#)
- [Walgreens](#)
- Walmart in partnership with [Quest Diagnostics](#)
