Administrative History

Established as the Senate at Lewis Towers (S.A.L.T.) before changing to Water Tower Government (W.T.G.), the purpose of the organization was to represent the students at Water Tower Campus on a variety of issues and work with the University administration on addressing those concerns. Water Tower Government eventually merged with the Lake Shore Student Government Association (LSGA) into the Unified Student Government Association. Today the organization is called the Student Government of Loyola University.
