Students who take Full-Time-Plus semesters have commented that balancing employment and other time commitments with coursework is one of the biggest challenges they face. As a result, it is strongly recommended that you meet with your faculty advisor to discuss how you will manage your schedule during your Full-Time-Plus semester.

If you have a strong case for why you should be considered for Full-Time-Plus even though you do not meet these eligibility criteria, please meet with your faculty advisor to discuss whether and why an exception should be made for you.
