Dear Graduate Business Student,

Thank you for your interest in the Loyola University Chicago Employer Reimbursement Plan (ERP) for Graduate Business students. There are separate applications for Semester students and Quarter students.

The Employer Reimbursement Plan allows Graduate students who are eligible for tuition reimbursement to defer payment of those tuition and fees covered under their employer agreement. The application fee is **$110.00 per quarter**. You must re-apply each quarter and pay the application fee each quarter you want to participate in the ERP program.

**NOTE: All non-deferred tuition and fees are due at the time of application.**

For example, if your employer will pay 90% of tuition and fees, that is the amount of tuition and fees we will defer through the ERP. The remaining 10%, along with the $110.00 application fee, will be due with the application.

The only exception to prepaying non-deferred tuition and fees at the time of application would be for students who borrow funds. **HOWEVER, note that to be eligible for an ERP, students may only borrow loans up to the amount the employer does not pay.** Loans are posted directly to the student account to cover the non-deferred cost first. Therefore, the amount of the loan should not exceed the non-deferred tuition and fees. For example, if your employer pays 80% of tuition, the loan should only cover 20% which is the amount your employer does not pay.

Deferrals are based on the following schedule: **Late forms are not accepted.**
