ROCK WALL MANAGER JOB DESCRIPTION

Departmental Student Employment Philosophy: As a student employee with Campus Recreation, you will play a vital role in providing recreational and social experiences to the university community. In combination with gaining experience in interpersonal communication and conflict resolution, employment with Campus Recreation will provide you with personal and professional development sessions, leadership opportunities, and comprehensive training programs designed to enhance your self-awareness, sense of community on campus, and critical problem-solving skills.

General Position Description: Rock Wall Managers are responsible for the supervision of Rock Wall Assistants, the Ramble Outdoors Rock Wall located in the Halas Recreation Center, and they aid Campus Recreation in delivering an enjoyable and beneficial experience for the Rock Wall and Halas Recreation Center patrons.

Minimum Skills and Qualifications:
- All skills and qualifications required of Rock Wall Assistants
- Minimum one semester (or summer) working as a Rock Wall Assistant

Preferred Skills and Qualifications:
- Federal Work Study

Job Duties:
- All duties of required Rock Wall Assistants
- Supervise Rock Wall Assistants and assist Rock Wall patrons
- Serve as a resource for Rock Wall Assistants
- Assist with developing and delivering staff in-service content
- Ensure uniformity of patron instruction and policy and procedure enforcement
- Oversee at least one other program administration duty (monthly inspections and equipment inventories, shift swap documentation, climbing competition, etc...)
- Other duties as assigned

Work Location and Environment:
- This position takes place in the Halas Recreation Rock Wall.

Learning Outcomes:
1. Identify at least one way in which sense of community on campus has developed.
2. Identify at least two ways in which communication skills have developed.
3. Identify at least two ways in which problem-solving skills have developed.
4. Identify at least one way in which self-awareness has developed.
5. Identify at least one way in which leadership skills have developed.
