3 Step Process for Student Success...

When there is a Learning Difficulty
“Under the patronage of Mary, Notre Dame College Prep is a secondary school committed to educating young men to be gentlemen of faith, scholarship and service in an inclusive family oriented community. Faithful to the Roman Catholic tradition and inspired by Gospel values, we prepare students to be lifelong learners and to lead lives of integrity.”
Step 1

Student Interventions

1. Notre Dame Bridge - summer school program for incoming freshmen with learning difficulties

2. Course Placement - at the completion of Bridge we compile our data and create each student's school schedule

3. Andre Study Hall – resource study, meets daily which is put into a student’s schedule

3 Key Parts to the Andre Study Hall

A. The long term planning boards.
B. Students create daily academic goals.
C. Academic support.
Step 2

Student Accommodations

An accommodation does not change the curriculum, it levels the playing field.

- attending the tutorial center during study hall
- preferential seating
- extended time on assessments
- testing in a separate location
- using audio books
- foreign language exemption

Modifications change the curriculum.
