

Dear Survey Participant:

The Kidzeum and their research partners at Loyola University Chicago and Northwestern University are pleased to have you participate in our survey for our STEAM CENTER project.

Kidzeum is developing a new STEAM Center — a hands-on space at Kidzeum AND a network of science, technology, engineering, art, and math activities and programs extending into Springfield neighborhoods and communities. We want to design this Center with your input. This survey will help us understand what matters most to you, what you need, and how Kidzeum can best serve the community.

1. Your participation in this survey is voluntary.
2. The survey is being conducted to inform the design of the new STEAM CENTER
3. Any data from this survey that may be used to report on our efforts to design the STEAM CENTER will not identify you in any way. The survey data is anonymous.

If you should have any questions or wish further clarification about any aspect of your participation in this survey you can contact Dr. Catherine Haden directly at 773-508-8226, or chaden@luc.edu. If you have questions about your rights as a research participant, you may contact the Loyola University Office of Research Services at (773) 508-2689.
