Standard 1

Pre-Lesson: Photo Booth
Students choose their expression and take their own portrait using Photo Booth. Students are encouraged to show their personality.

Lesson 1: Grid Drawing
Students are taught how to use grid drawing technique and practice with a sketchbook assignment before they begin their portrait.

Lesson 2: Create a Grid & Draw!
Students will create a 1:1 ratio grid over their photograph from the pre-lesson and painting surface, and begin drawing.

Lesson 3: Color Theory
Students take a pretest on color theory and compare and contrast analogous, monochromatic, and complimentary color schemes.

Lesson 4: Reinforcing Color Theory
Students will apply their knowledge of color theory by creating a color wheel using tempera paint.

Lesson 5: Value, Volume, & Depth
Students will be shown how to create a range of values using black and white. Student will complete a value scale.
Lesson 6: Painting Technique - Demo 1
Teacher will show students how to use the different brushes and how to apply paint to create volume in the face.

Lesson 7: Painting Technique - Demo 2
Teacher will demonstrate how to approach the eyes, nose details, and mouth.

Lesson 8: Details & Background
Teacher will demonstrate how to use colored pencils to add fine detail and how to paint the background.

Lesson 9: Personal Symbols & Stenciling
Lesson and game on logos, symbols, and stencil creation. Students will create a personal symbol to create a background pattern.

Lesson 10: Reflection & Critique
Students will write a reflection on their work. Class will critique each other’s work and compare and contrast to portraits throughout time.
