Learn how you can study abroad in Panama City!

• Transform your life, broaden your worldview, and provide an international dimension to your academic experience through attending the Panama City Global Faculty-Led Program.

• Learn about teaching science to elementary students and visit the Panama Canal locks and Smithsonian’s Barro Colorado Island ecological research center.

• Work with culturally diverse youth at an International Baccalaureate school.

Panama Spring Break Information Session

Monday, September 26th
Damen Student Center 114
4:15 - 5:30 pm

LUC.edu/studyabroad • studyabroad@luc.edu
