Sequence Description

During this rigorous module, candidates continue to learn while also applying their accumulated knowledge and skills. The experiences in this sequence are designed to allow candidates to measure their growth in the areas of planning, instruction, and assessment while reflecting on what teacher candidates should know and be able to do prior to student teaching and prior to certification. Candidates will work with their Co-teacher two days per week while being supervised at the school site by their Internship Coach. Monday night seminars will be held on campus and lead by a Loyola University Instructor. This sequence also prepares candidates for the required edTPA project they will complete during their student teaching in Sequence 8. Candidates will compose a pilot edTPA project. Candidates will administer, analyze, and reflect upon an assessment. This sequence will better prepare candidates for independent work by also discussing components of the Teacher Performance Assessment (edTPA). Where TLSC 360 will represent the academic content required of candidates, TLSC 370 will guide the fieldwork experience required by that work through on-site observation, feedback and reflection focusing heavily on professionalism in teaching and disposition. This sequence addresses TLLSC Enduring Understandings 1, 2, 3, 4, 6, 7, and 9.

Module Assignments

- **Module Participation: 20% of final grade**
 - Candidates are expected to consistently and actively participate in all class activities and discussions. Since much of this module takes place in a school, candidates are expected to dress and act professionally. Candidates must establish a schedule with their co-teacher and arrive on time and stay for the duration of the session. Candidates must document their time using the attendance form provided and submit the form to their University Coach at the conclusion of their module. Seminar sessions will build directly on assigned readings and field experiences; candidates must come to class having read all assigned texts and articles, as well as completing a reflective journal each week.
- **Teaching Evaluations: 50% of final grade**
 - Candidates, in collaboration with their Internship Coach and Co-teacher, will arrange for 3 formative teaching evaluations and 1 summative evaluation to take place on an approximately bi-weekly basis. Candidates must submit a written lesson plan analysis (see template) to their Coach and Co-Teacher no later than 24 hours prior to each observation via email **AND** LiveText. Formative evaluations will be averaged to represent one half of this percentage while the summative evaluation will reflect the other half. Evaluations should be signed by participants and uploaded to LiveText by University Coach.

- **Weekly Reflections: 20% of final grade**

- Candidates will write weekly reflections of a full page in length. Reflections should focus on course topics, readings, discussions, and field experiences in response to prompts given in class. Reflections should discuss students' experiences, observations, and intellectual and professional growth in relation to teaching and learning in urban communities. Submit via LiveText.

- **Summative Assessment: 10%**

- Candidates will complete and submit the practice edTPA project as outlined by their TLSC 460 instructor. Candidates must work to obtain proper consent at the very start of their experience for the group of students they will work with. Candidates will discuss with their co-teacher immediately as to what content material they should focus on implementing based on the timeline for the assignment and use that discussion as a basis for writing goals and objectives and building assessments. Rubric in LiveText.

It will take you approximately 60 to 90 minutes to complete and you will receive a certificate of completion. This certificate is to be uploaded to LiveText under your TLSC 360 course. Please print the certificate and keep it for your records. Here is the link to the module: <https://mr.dcfstraining.org/UserAuth/Login!loginPage.action;jsessionid=D67FA56FC88615C0F4B772600B71A8EC>

Conceptual Framework Standards

Our mission is social justice, but our responsibility is social action through education. The Loyola University Chicago, School of Education's Conceptual Framework (<http://www.luc.edu/education/mission/>) emphasizes action and impact through education.

CFS2: Candidates apply culturally responsive practices that engage diverse communities.

Diversity

This module calls on candidates to meet the needs of diverse learners, and make diversity the substance of the content that they will teach. The unit that they develop with the mentor teacher educator and their peers will be transdisciplinary or interdisciplinary and therefore will incorporate a diversity of content. In this way, this module offers an opportunity to apply the candidates' understanding of diversity on multiple levels.
