### Ramblin' Around Dinner Crawl

You'll get to stroll around the Rogers Park and Edgewater neighborhoods near campus and sample foods from local restaurants.

## HAVE FUN ON CAMPUS

There's a lot to do on Lake Shore Campus. Our Halas Recreation Center gives you access to sports courts, fitness centers, a pool, and even a rock-climbing wall! You can also take part in daily fitness sessions like yoga, spinning, lifting, and more.

We also have a whole department dedicated to fun, recurring events on campus. Last year, we had weekly craft sessions, trivia nights, concerts, and movie screenings.

Do you like watching performances, or being on stage yourself? No matter your major, you can participate in or watch the plays, recitals, or concerts regularly organized by our Department of Fine and Performing Arts.

You'll also be walking distance from Loyola Beach as well as many cafes, restaurants, and shops in our lively neighborhood.

## HAVE FUN IN CHICAGO

We're in one of the best cities in the world. Your student U-Pass gives you access to unlimited rides on city buses and trains, so we encourage you to explore Chicago and take advantage of all the experiences a big city has to offer.

During Welcome Week, we'll take you on excursions around the city to introduce you to the neighborhoods and show you how to use your U-Pass. You'll be well-equipped to explore on your own!

You can also participate in other unique Loyola programs like Labre, which provides meals and conversation to people experiencing homelessness in downtown Chicago, and reflective retreats at Loyola's Retreat and Ecology Campus.
