**YOU ARE IN!**

## ENTER AS YOU ARE

Your passion, hard work, and exceptional talent make you a perfect fit for Loyola. As a new student, you'll walk through the historic Cudahy Library doors, marking the start of your academic career. These doors symbolize both the start and the end of a Loyola student's journey, opening only for incoming students and graduating seniors.

## LEAVE TRANSFORMED

When you walk through these doors again at the end of your journey, you'll have delved deeply into what excites you and discovered more about yourself along the way. As you close this chapter, you'll be stepping into a new adventure—one that's fueled by your passions and readiness to make your mark on the world.
