The Financial Aid Office has developed Cost of Attendance budgets for students using estimated and average educational expenses for the period in which a student is enrolled. This form allows students to request adjustments to the standard budget amounts for necessary and unexpected expenses incurred while classes are in session at Loyola.

This form must be completely filled out and corresponding documents submitted to initiate a review of your circumstances. Expenses for which adjustments will *not* be made include rent/mortgage costs, credit card or car payments, everyday living expenses such as groceries or utilities, etc. NOTE: Do not include payments for expenses incurred prior to your enrollment at Loyola.
