A student can be considered independent for financial aid purposes by meeting certain criteria. Please review the criteria below, noting any that apply to your situation. After review, the Financial Aid Office may request additional information or documentation. Are you:

- A dependent or ward of court since turning age 13
- Currently or was an emancipated minor
- Currently or was in legal guardianship
- Homeless or at risk of being homeless
- In foster care since turning age 13

If you checked any items above, you do not need to complete this appeal. Submit the “Dependency Status Verification” form instead.

If you do not meet the requirements to be considered an independent student on the FAFSA, but believe your particular family circumstances warrant further evaluation, please complete the rest of this form.

The following documentation must be submitted before we can review your appeal:

1. Detailed letter explaining your family circumstances (use attached form). Attach copies of any police or custody reports or similar materials to support your appeal. Information will be kept confidential.
2. Two detailed letters from sources outside your family familiar with your family circumstances. Use the attached forms and have each person respond to the questions on the form.
