2020–2021 Illinois Residency Verification

Student Name: _____
(Please print)

Loyola ID: _____
(Your 11-digit Loyola ID number begins 0000)

The Illinois General Assembly has mandated (23 Illinois Administrative Code) that students (or their parents) must provide documentation of their Illinois residency in order to be eligible for the State of Illinois Monetary Award Program (MAP) Grant. State of Residency does not affect tuition charges at Loyola University Chicago or federal financial aid. We need to verify your state of residency to determine your eligibility for the MAP Grant. **Any** of the following documents may be used to prove Illinois residency. However, more than one may be necessary to document Illinois residency.

Dependent student: The custodial parent(s) of a dependent student must reside in Illinois on the date the Free Application for Federal Student Aid (FAFSA) was completed in order to be considered an Illinois resident. For example, if the FAFSA was filed on February 17, 2020, you must provide documentation that shows your parent was an Illinois resident on or before that date.

Check document being submitted and attach to this form (only one is required for dependent students):

- Parent's Illinois or federal income tax return with an Illinois address
- Illinois high school or college transcript for student
- Parent's Illinois driver's license
- Parent's utility bills
- Parent's rental lease

Independent student: An independent student must have resided in Illinois for a minimum of 12 consecutive months immediately prior to the first day of school in order to be considered an Illinois resident. To be an Illinois resident for the 2020–2021 school year, a student must document 12 continuous months of Illinois residency prior to August 23, 2020. Documentation must be provided with one or more of the documents listed below.

Check all documents being submitted and attach to this form:

- 12 months' utility bills
- Residential lease(s) covering 12 month period
- 12 months' wage and tax statements (IRS form W-2)
- 12 months' statement of benefits history from the Illinois Department of Public Aid
- 12 months' statement of benefits from the Illinois Department of Employment Security

Note for independent students: The above types of documentation may be combined to equal 12 months of items, for example nine months' paychecks and three months' Public Aid statements.
