

MESSAGING BRIEF

MESSAGING

- **Purpose-driven leadership:** Quinlan provides the skills to do well in your career and to also lead with purpose. We prepare our students to become difference makers able to lead sustainable business growth and inspire positive change through data-driven decision making, critical thinking, and innovation. This will set you apart from your peers and form the foundation for the rest of your career.
- **Global:** Our programs offer a distinctive global focus. Loyola is part of an international network of more than 80 universities. Several Quinlan programs include international trips or collaborative projects with organizations and students locally and from around the world.
- **Hands-on learning and real-world skills:** Develop skills that you can use immediately in your work as well as building skills that will propel your career forward. Students often partner with local organizations—both large and small—on social impact initiatives.
- **Convenient and flexible:** Our programs are perfect for busy working professionals—evening, weekend, and online or blended courses are available to fit your schedule. Our home, the Schreiber Center, is easily accessible in the heart of Chicago.
- **Networking and mentorship:** You have access to a worldwide alumni network and highly accessible and highly engaged faculty. This helps equip you with a foundation of expertise that will help make your professional goals reality. You also have access to LoyolaLinked, a powerful platform to engage with Loyola alumni while a student and after you graduate.
- **Our Next Generation MBA** equips you to become a data driven business leader and complete an MBA in as little as a year. *Good to know: Students in our MBA program have unparalleled flexibility to transfer credits to another participating Jesuit school in the U.S. if they need to relocate for personal or professional reasons during their graduate program.*
- **Collaborative mindset:** Through class discussions and cooperative projects, you'll enhance your collaboration and other soft skills, necessities for successful business leaders.
- **Rankings/other points of differentiation:**
