- BUSINESS DATA ANALYTICS
- BUSINESS ETHICS
- HUMAN RESOURCES AND EMPLOYMENT RELATIONS
- SUPPLY CHAIN FUNDAMENTALS

Loyola's Quinlan School of Business graduate certificate programs are designed for students who wish to improve their depth of knowledge in a particular area or discipline to remain competitive in the job market, advance their careers, or pursue a personal interest. All certificates can be completed in 1 year.

BUSINESS DATA ANALYTICS

The Certificate in Business Data Analytics is a five-course program that focuses on helping develop data-driven business leaders.

This certificate is ideal for:

- Professionals or current students looking to improve their marketability.
- Professionals who may need to refresh their data analysis and data collection skills.
- Professionals who are looking for an additional tool to help them become better strategic thinkers.

BUSINESS ETHICS

The Certificate in Business Ethics is a flexible, four-course program focused on ethical issues in business and the challenges of managing corporate ethics programs.

This certificate is ideal for:

- Ethics professionals who develop and implement corporate ethics programs.
- Academics who seek to teach and conduct research in business ethics.
- Others who seek a greater knowledge of business ethics to enhance their careers.

HUMAN RESOURCES AND EMPLOYMENT RELATIONS

This is a five-course program that will help you acquire essential skills in the HR field.

This certificate is ideal for:

- Professionals and current Quinlan graduate students looking to widen their skillset.
- Managers looking to improve their interface with human resources professionals.
- Professionals who want to know more about how employers can create a more just and productive work environment.

SUPPLY CHAIN FUNDAMENTALS

The Certificate in Supply Chain Fundamentals is a five-course program that offers an essential foundation in supply chain management.

This certificate is ideal for:

- Business professionals who want to augment their resume or build their skillset.
- Current supply chain professionals who want to refresh and enhance their knowledge base.

PROGRAM STRUCTURE

- Certificates can be completed on a part- or full-time basis.
- Some courses may be offered online.
- On-site courses take place at Loyola's Water Tower Campus in downtown Chicago.

EXPECTATIONS AFTER GRADUATION

Graduate credit earned in the certificate programs can be transferred to the MBA degree program upon admission.

Business Career Services is available to assist you in developing and implementing a personal career progression plan; visit LUC.edu/Quinlan/careers for more information.

PROGRAM DISTINCTIONS

- Responsible leadership is a focus in each of Quinlan's programs, giving you the tools to identify and navigate ethical dilemmas in the workplace.
- Programs feature an ingrained global perspective.
- Quinlan School of Business programs carry accreditation from the Association to Advance Collegiate Schools of Business (AACSB). Less than 5% of the business programs in the world hold AACSB accreditation.
