

Doctor of Nursing Practice (DNP), Adult Gerontology Acute Care Nurse Practitioner (AGACNP)

The DNP AGACNP track will prepare you to practice at the highest level of nursing in an acute care setting. You'll develop the advanced skills and knowledge to handle complex and critical patient situations. Loyola's program will equip you to translate data and research into practice to improve patient outcomes.

Eligibility

BSN or MSN degree ✓

An Illinois RN license, ALCS, and CCRN certification ✓

2,000 hours of recent acute care clinical practice experience prior to starting program practicums ✓
