

# LOYOLA UNIVERSITY CHICAGO SCHOOL OF CONTINUING AND PROFESSIONAL STUDIES

## YOUR LEARNING JOURNEY NEVER ENDS

At Loyola's School of Continuing Professional Studies (SCPS), you can begin making your goals a reality. Home to adult learners from diverse professional and personal backgrounds, the school provides valuable educational and advancement opportunities for people from all walks of life.

## JOIN OUR COMMUNITY

It doesn't matter how old you are, where you come from, or what stage you're at in your learning journey—there's a place for you here at SCPS. We can equip you with the skills you need to lead and succeed in this rapidly changing economy.

## WE'LL MEET YOU WHERE YOU'RE AT

If you're just starting out, we'll offer you the support you need to get where you want to go. If you already have professional or academic experience, we'll give you knowledge-based credit and help you select more advanced courses. Our program teaches real-world skills and can always adapt to your needs.

## YOUR PAST EXPERIENCE MATTERS

Not all learning takes place inside the classroom. You may have a reservoir of professional learning from your past journey, and we want to honor that. Qualified students will get the chance to earn non-traditional credit based on past experiences, which means you'll earn your degree quicker, and pay less for it too.
