👥 A Moment of Magic

GPAC

Graduate, Professional, Adult Council

- ✦ The Graduate, Professional and Adult Council was developed to effectively represent all graduate, professional, and adult students of Loyola University Chicago (the University)
- ✦ Promote and encourage interaction among graduate students at the University
- ✦ Provide a cohesive voice for the entire professional, graduate, and adult student population within the larger student body at the University
- ✦ Correspondence with University administration, the sponsorship of social and service events, and participation with the University Senate.
