Do you have diabetes?

If you are a plan member with diabetes, you may qualify for a OneTouch® blood glucose meter at no cost to you.*

Your prescription benefit plan is offering a value-added program through which meters are available at no cost to eligible members.

For more details, please contact the CVS Caremark® Member Services Diabetic Meter Team at 1-800-588-4456.

*Blood glucose meters are funded by LifeScan Inc. (OneTouch). Choice of meters is subject to change.

No-Cost Diabetes OneTouch® Blood Glucose Meter

How do you qualify for this offer?
• Be enrolled in the prescription benefit plan
• Have diabetes
• Have a valid prescription for OneTouch blood glucose test strips.
  If you don’t already have a prescription for blood glucose test strips, we may be able to help get one from your doctor.
• Additional requirements or limitations may apply.

Your next steps:
1. Call the CVS Caremark® Member Services Diabetic Meter Team at 1-800-588-4456.
2. Have your prescription ID number and your doctor’s name and phone number ready when you call.
