Medical Plan Options

Loyola offers you three medical plan options through Aetna. These plans provide services to help you stay well and provide access to quality care.

- **PPO 1**: Traditional PPO medical plan option with the lowest deductible, but you pay the most in monthly premium rates.
- **PPO 2**: Traditional PPO medical plan option with a deductible higher than PPO 1, but you pay less in monthly premium rates than PPO 1.
- **PPO 3 HSA**: PPO medical plan option compatible with a Health Savings Account (HSA). You pay the lowest in monthly premium rates. However, this plan option has the highest deductible and out-of-pocket maximum. If you enroll in the PPO 3 HSA medical plan, Loyola automatically enrolls you in Accident employee-only coverage, and Critical Illness (up to $10,000) employee-only coverage at no cost to you. If you choose this plan option, Loyola also helps cover eligible health care expenses by funding your HSA with $600 (Employee Only) or $1,200 (Employee + 1 or More). *This amount is prorated for new hires based on the month your coverage begins.*

**Vacation:** *New hires begin accruing vacation time immediately, but are not eligible to use it until you have completed 90 days of employment. Paid vacation time is accrued bi-weekly. The maximum vacation accrual carryover is one times (1X) the annual accrual. This means that if you accrue 10 days of vacation per year, once you have 10 days of vacation accrued in your “bank,” you will stop accruing additional vacation until you use vacation time.

**Personal/Family-Friendly Days:** *Newly hired staff employees are eligible after you have completed 90 days of employment. The amount of Personal/Family Friendly Days may be prorated based on date of hire:

- Hire period on or after July 1 are not eligible for Personal/Family-Friendly Days for that year

Regular part-time employees may be given a holiday off without pay; if they work on the holiday and are paid hourly, they will receive Holiday Premium pay at 1.5 times their current rate for all hours worked on the holiday. The holiday calendar can be viewed at [https://luc.edu/hr/holiday-calendar](https://luc.edu/hr/holiday-calendar).

**Sick Leave:** *Sick leave is accrued based on your regularly scheduled hours of work. Up to two and a half (2.5) of these days may be used for the care of ill family members. Sick leave may be carried over from year to year, up to a maximum of 30 days for regular part-time employees. Employees who work less than 20 hours per week accrue 40 hours per year, up to a maximum of 60 hours.

**Parental Leave**: Part-time staff employees receive up to 12 days of paid parental leave due to the birth, adoption, or foster placement of a child. The benefit will be available to employees with at least one year of service, and must be taken as one consecutive period within the first six months of the birth or placement.
Funeral Leave: The University allows three (3) consecutive paid days off to a staff member (after 30 days of employment) experiencing a death in the immediate family, or one (1) day if the death is in the extended family.
